

Nutrition Matters: “My garden is my most beautiful masterpiece” ~ Claude Monet. ‘GARDEN’, an acronym has been used to highlight key activity areas of the department.

G Growth oriented- Students are encouraged to participate in competitions in other institutions like Narmada Kidney foundation and IDA organized Diets Day.

A Alliances- The department partners with Indian Dietetic Association, Mumbai chapter and Nutrition Society of India. In collaboration with Indian Dietetics Association, Mumbai chapter BITE DELITE TEACHER CHEF cooking competition was organised.

R Research- Ms Shama Chavan completed her minor research project. Students participated in the Intra-department research competition.

D Dissemination of knowledge- Innovative teaching methods include visits and talks. This year students visited Food Hall and Hyatt Regency. Ms Doris Rittenschober of FAO, Rome visited the department and gave a talk on the working of FAO.

E Entrepreneurs from job seekers to job creators- ‘BITE DELITE’– an entrepreneurship initiative. The students plan, budget, advertise, cook, package and sell snacks. Students assist in consultancy also. Ms.Poonam Sur has been placed as Gym Instructor with Xercise Gymnasium .

N National goals of education- To improve vocational efficiency, students make projects and presentations using the ICT knowledge. Eight week internship programme at Hyatt Regency continues for department students. Ms Neelam Singh and Ms Nidhi Amin completed internship at Hyatt in June 2016.
